Innovation Brew Works to Celebrate Three Year Anniversary

Innovation Brew Works at Cal Poly Pomona will celebrate its three-year anniversary on Saturday, April 21 from 1:00 to 4:30 p.m. The event will feature craft beers, food, live entertainment and more.

Since opening in late 2014, Innovation Brew Works has won numerous prestigious awards and has been featured in over 300 national and international media sources. Innovation Brew Works serves as a learn-by-doing educational laboratory, a microbrewery and café. It is the first genuine educational brewery-restaurant on a college campus that is open to the public.

A special anniversary craft beer will be introduced during the event along with a few experimental beers, including Liveswan: Barleywine, Riftsawn: Barleywine, Second Storey: Stout, Wandering Monk: Barrel Aged Belgian and The Ranch Hand: Saison with Brett. The usual Innovation Brew Works beer menu will also be available.

Other local breweries such as Sanctum Brewery, Ritual Brewing, Main Street Brewery, Alostia Brewing, REV Winery & Brewery, No Clue Craft Brewery, Last Name Brewing Company and Horse Thieves Home Brew will also be in attendance serving delicious brew throughout the event.

Additionally, Innovation Brew Works will offer house-made craft sodas, including root beer and lemonade.

Innovation Brew Works will have their entire regular food menu available during the event. Also, the award-winning Poly Trolley food truck will be in attendance.

Giant Jenga, cornhole and other brewery games will be set up for all attendees to enjoy. There will also be live performances from two bands including Sincerely, Me and Couches & Company.

Tickets will be sold through Eventzilla until the week before the event and at the door on a first come, first served basis. Admission will cost \$35 pre-sale through Eventzilla and \$40 at the door. Each ticket includes a t-shirt and an anniversary exclusive tasting glass with fills throughout the event. There will also be a \$10 designated driver ticket that includes unlimited craft sodas and a t-shirt. Food and additional beverages will be sold separately. Please note that this is a strictly 21 and over event.

Cal Poly Pomona Foundation, Inc. is a Section 501 (c) (3) nonprofit organization that operates as a recognized auxiliary of the California State University.
